Participants Needed!

We are conducting research to explore the stakeholder's perspective on delivering healthcare services to Syrian refugee women in Toronto

Participation in the interview is completely voluntary, confidential and anonymous.

- ✓ **Do you want to share your experience in delivering health care services to Syrian refugee women?**
- ✓ **Are you interested in providing your unique expertise to work towards positive change?**

YOU MAY BE ELIGIBLE TO PARTICIPATE IF YOU:

- **Work/volunteer in the City of Toronto**
- **Are between the ages of 18 to 65**
- **Speak and understand English**
- **Are involved in providing direct or indirect health services to Syrian refugees (ex. government / NGO representatives, social workers, doctors, nurses, volunteers or others)**
